Milton Public Library's 2017 Summer Reading Program

"Build A Better World"

What is the Summer Reading Program?

Our 2017 summer reading program is designed to encourage kids of all ages to love language, books, and learning, and to combat the education gains lost during summer break from school. Kids don't need to be reading independently to participate.

Children age 2 to 12 track their reading in a log, earn stickers, attend an end of summer celebration, and receive a certificate. Summer Reading registration begins at 9 a.m. on Friday, June 16, and continues all summer. Stop by the library to pick up your reading log and bookmark, and to sign up for the programs listed in this brochure.

There is a program for teens – age 12 and up – outlined in a separate brochure.

Lunch at the Library

This year Milton Public Library will again host lunch at the library for those age 18 and younger. Free meals sponsored by Hunger Free Vermont and the Milton Town School District will be served from 11:30 a.m. to 12:30 p.m. Monday through Friday beginning June 19 through mid August.

Rubber Ducky Readers for up to age 3

Our Rubber Ducky Readers, for kids up to age 3, is a special summer reading program that helps parents build early literacy skills with their kids. Programs begin June 1.
